

Jessica Howell

CURRICULUM VITAE

I am a punctual, reliable, hard working designer who is self motivated. I have good communication skills, as well as working individually and as part of a team. I have developed the confidence to design unique branded spaces for companies and organisations; with a certain interest in designing for hospitality and service-related areas.

Skills Summary

I can efficiently create a concept idea, and turn this into a finished deliverable; ensuring that all work is completed to a high standard on a specific timescale.

Software skills:

- All Microsoft packages
- Adobe Photoshop, After effects, Illustrator, Indesign.
- AutoCad (Technical drawing)
- VRAY/Cinema 4d (Rendering)
