Profile

Lover of graphics and objects, my idea of fashion is close to product design, seeking innovation and playfulness while maintaining a minimal and appealing approach.

When it comes to fashion, my reference are the 1960s, a period I admire for the innovative use of new materials and the strong masculine spirit.

In my designs, I play a lot with the contrast between purely feminine silhouettes and masculine volumes.

Soft Skills

- Determined to excel in every production.
- Willing to expand my skills.
- Independent in meeting deadlines.
- Organized.
- Problem-solver.
- Attention to details.
- Curious and dynamic.

Hobbies & Interests

- Drawing, painting, and sculpting.
- Illustration.
- Graphic design.
- Italian product design of the twentieth century.
- Childhood and pedagogy.
- Collecting objects that inspire design and creative manipulation.
- Reading.
