CAD- GRAFIS *Good skills*
Microsoft Office *Proficient*

christian wijnants

Antwerp June 13st, 2025

To whom it may concern,

It is with pleasure that I write this certificate on behalf of Julia Härle.

I had the pleasure of working with and supervising Julia during her internship at Christian Wijnants. During her internship (06/01/2025 – 06/06/2025), she demonstrated her breath of talent, positive attitude, and ability to delve deeply into projects.

Julia worked closely with Christian and the creative team to take on a number of challenging projects with dedication and smile. In addition to facilitating daily studio operations, she contributed with her creative skills by assisting draping on dol and translating the drape into pattern, stitching and developing accessories. She helped a lot during the show and showed a real will to learn.

Besides being a joy to work with, Julia is very flexible, creative and solution-minded. She works well in a team and has a strong motivation for her work. Julia has been of great support to our company, performing various tasks with a can-do attitude.

Julia would make a great asset to any organization, especially in a creative team.

Sincerely,
Louise Dael
Collection Developer
