WORK

FASHION DESIGN ASSISTANT | 07.2018 – 07.2019

ShinKong Textile Company, Taiwan

- Designed menswear and womenswear in the collections
- Developed and created graphic artworks and all-over prints
- Assisted designers with technical drawings, trend research, meeting schedules, and administrative works
- Completed detailed tech packs with trimming choices
- Attended fitting sessions with clear understanding of pattern construction, coordinated well with production teams
- Provided the sample print feedback and communicated with manufacturers according to demands
- Created the BOM lists and organised the archives neatly

DESIGN INTERNSHIP | 02.2018 – 05.2018

JASON WU, New York City, USA

- Assisted the moodboard and design process including fabric experiments and documentation of vintage garments
- Collected the fabric samples and create the colour swatches
- Assisted in the fitting and modelling sessions
- Communicated needs with pattern makers and seamstress
- Resourced the trimmings and sorted the archives from the previous seasons
