CLO3D

# VICTOR GJERSING

## CHARACTER TRAITS

Curious, intuitive, experimental, organized, conceptual and humorously oriented

## MAIN SKILLS

### 1) Driven by materials and storytelling

I love to see non clothable objects in a context of a body. Furthermore I enjoy imitating objects through the knowlegde I gained from working with the fabric and materials.

### 2) Using objects out of it's comefortzone

I find my inspiration in random objects i surround myself with in my near invironment. People, rocks, doorknobs, lip balm etc. And then showcasing it how I like to see it.

### 3) In depth work

I thrive in a process where I can immerse myself in a concrete thing to explore all the possibilities this idea contains.

## OTHER INTERESTS

Huge interest in football and music/sounds. Currently likes to dig holes and climp trees.

## EDUCATION

2016-2019 Svendborg Business College
