PROFESSIONAL EXPERIENCE:

2020 to date: **Design Director of Think Different Studio Eleonora Scalia & Federica Scalia.** Design consultancy Studio currently based in Florence, offering accessories design, shoes, jewellery, embroidery and print design. We manage all the process from research of materials and colours, graphic development and development of the prototypes of the collection with the modellers and suppliers of the raw materials up to the finished products. The twin duo combine their professional background acquired after a decade in luxury fashion houses as Designers with their vision and holistic approach to Design in long term vision by creating a new dialogue with Fashion. Think Different Studio work with clients internationally including high luxury fashion brands and ethical brands committed to environmental and social impact.

2016-2020 **Christian Dior: Head Designer Bags and Small Leather Goods.**
Design and Supervisor of Bags and Small leather Goods of Dior Women's Collection: seasonal input, fixing of the prices, research of materials and colours, graphic development and development of the prototypes of the collection with the modellers and suppliers of the raw

materials and the finished products. Test and assignments of materials/models. I manage all the process to finalize the product. Setting up show room.

2013-2016 **Valentino: Senior Designer Bags and Small Leather Goods.** Design and Supervisor of Bags and Small Leather Goods WMS/MSW: seasonal creative contribution to the collection, fixing of the prices, research of materials and colours, graphic development and development of the prototypes of the collection with the external suppliers of the raw materials and the finished product, tests and assignments of materials/models. I manage all the process to finalize the product. Setting up show room.

2012-2013 **Valentino: Designer of Bags, Shoes and Accessories.** Designer of Bags, Small Leather Goods, Shoes and Jewellery for WMS/MSW. Assistant of the style and the accessories development office men and women.
