Ciao!

italian,  
born on 18th March, 2002

I grew up in the shadow of Vesuvius, in Torre del Greco, in the province of Naples and since 2020 I have settled in Milan.

My aim is to develop my skills and to expand my interests, focusing on the field of visual merchandising. What makes me love the world of fashion system, is the my own passion for beauty in its different forms.
