As a fashion student at ESIMODE and interested in the fashion world since I was a child, I am determined to be a part of it. Inspire by nature, art, european and asian world, i drew and sew everyday to improve my skills and do my own clothes, for me and my family, before start to comercialise my garments. For me, fashion allows to express its personality through different look, and I want everyone to be able to find themselves through my creations.

Now in the second year of formation of fashion designer at ESIMODE, I am looking for companies where I could apply to do my second-year internship. It take place from March to end of June, 2022. If you're interest you can contact me by Mail, Phone, or Instagram
