EXPERIENCE

2020
-
NOW

Sportswear Designer

Madison in Milton Keynes

- Responsible for creating initial concepts, prints and logo designs, apply strong fabric knowledge and applications, produce detailed technical drawings and managing all steps of development until completion for both own seasonal collections and special projects so this experience makes me very motivated for new challenges.

2017
-
2020

Sportswear Designer

Mektrax in Dubai

- Responsible for all the creative matters including branding, collections and custom design, marketing campaigns as well as all the development process with the factories. I designed for both men and women and I developed a special interests in construction, prints and colours.

2013
-
2017

Freelance Graphic Designer

Paris, London, Dubai

- Print specialist Designer taking care of communication projects on all kind of supports. Edition, posters, flyers, logos, branding etc. In this role I learnt how to work independantly, paying a big attention to details while meeting tight deadlines. It was all about being organized as well as being creative which makes me today a reliable Graphic Designer.
