

Erik Melander

Born in Belgium, raised in China, and finally settled in the Netherlands to study design. I love trying new things and exploring the outdoors. Apart from visual media my interests revolve around gardening, languages and music. I look forward to meeting you!

Age: 22

Nationality: Swedish

Work Experience

Studio OOK - Graphic Design Internship *Sep 2019 - Jan 2020 in Eindhoven*

Full-time internship focusing on graphics and 3D visualizations.

EEB2 - Camp Leader *Dec 2015 + Jun 2016 in Brussels*

I worked as a camp leader for the European School in Brussels 2 (EEB2) at two week-long field trips. The job entails taking care of a class of primary school students along with the teacher and another leader.

Freelance 3D Modeling & Graphics *Sep 2016 - Present*

Most recent project: Layout design for Renewi and Design Academy Eindhoven to showcase the results of a collaboration.

Verisec - Graphic Design Internship *Oct 2015 - Jan 2016 in Stockholm*

Part-time internship at IT-security firm Verisec at their headquarters in Stockholm, focusing on graphics and visualizations.

Neculcea Family - Au Pair / Nanny *Sep 2015 - Mar 2016 in Stockholm*

I worked as the Au-pair of two young boys during my time in Stockholm. This taught me a lot about patience and what it means to be responsible for somebody else, as well as the fact that I enjoy working with kids.

Freelance Photography *Sep 2019 - Present*

Most recent project: Photographing the Growing Pavilion during Dutch Design Week 2019 for Pascal Leboucq from Company New Heroes.

Education

Design Academy Eindhoven - Bachelor of Arts - Man & Motion *Graduated 2020 in Eindhoven*

A 4 year bachelor course teaching the fundamentals of design and allowing the student to tailor their course by choosing a department. I followed Man & Motion, the department focused on sustainability, system design and real world applications.

Berghs School of Communication - Introduction to Graphic Design *Completed Nov 2015 in Stockholm*

Evening course aimed at teaching the basics of graphic design by introducing the Adobe suites Indesign, Illustrator and Photoshop.

British School of Beijing - High School Diploma *Graduated 2015 in Beijing*

A-Levels in Design & Technology, French, and Physics. AS-Levels in Mathematics.

Leadership Course + First Aid Training *Aug 2013 in Stockholm*

An introductory course to becoming a camp leader for Sportcamp in Sweden.
