WE ARE ONA

Project Production (Junior)

Commissioned on special projects, I collaborate closely with internal teams (Creative Studio, F&B, Senior Production, Accounting) and external partners to deliver exceptional dining experiences for B2B clients. Working in a fast-paced, dynamic environment, I have implemented **best practices** to enhance projects efficiency, elevate relationship quality, optimize creative input of talents, and streamline social & image deck reporting.

THE BOLD WAY PODCAST

Editor

Over two years, I managed content and wrote articles for a podcast highlighting creative industry talents. My work explored the journeys of entrepreneurs and visionaries, shaping content with an engaging, sharp style that connected with the podcast's community.

- Created French and English content for The Bold Way (ex: EDLM) and Smart Creation (Première Vision) podcasts
- Managed Instagram content (asset edits and strategy)
- Advised on the growth and development of Adrien Garcia's podcast and related activities
