WORK EXPERIENCE:

Fashion Design Intern (Feb 2025 - July 2025)

Alberto Zambelli SRL - Cremona, Italy

Role: Actively contributed to the development of both the Fall/Winter 2026 and Spring/Summer 2026 collections, as well as several consultancy projects for external brands overseen by the head designer. Responsibilities included trend, selecting fabrics, color research, sketching, preparing moodboard, and assisting with draping designs. Helping to define the collections identity and supported the entire creative process, working closely with the head designer and team in a proactive, independent, and professional manner.

Fashion Designer Assistant (April 2023 - Oct 2023)

O.FILES - Copenhagen, Denmark

Role: Manage and be responsible of the new designs following the creative direction of the head designer. Creating technical sheets for new designs and managing the product development of the collections.

Fashion Designer Intern (Oct 2022 - April 2023)

O.FILES - Copenhagen, Denmark

Role: Taking part to the S/S 23 and the FW23 collections thought assisting in the development, design, research fabric, trims and creating technical sheets. Keep the contact with the manufactories and assisting the production development.
