PROFILE

RTW Designer with over 6 years of experience across high-end fashion houses including *Y/Project* and *Acne Studios*. Skilled in RTW design & development from concept and research to prototyping, fittings and supplier coordination. I combine creative direction with technical expertise in tailoring, draping, and textiles, bringing a sharp eye for silhouette, materiality and storytelling through thoughtful, collaborative design.

PROFESSIONAL EXPERIENCES

Freelance Designer & Creative Consultant | Paris, France | 2025 - Present

- Led independent design projects for private clients, from concept through final execution.
- Represented multi-brand boutique *En_Culture* during Paris Fashion Weeks, contributing to collection selection across shows and showrooms.
- Provided artistic direction for *Tournemoi*, emerging accessories brand, shaping visual identity across photoshoots, social media, and product development.
- Advised *Studio Kana* on fabric and trim sourcing, product development, and launch strategy for an emerging bags brand.

Y/PROJECT - RTW Design and Development Coordinator
Paris, France | 2022-2025

- Supported the design and development of over 50 RTW looks per season during a period of strong brand growth, contributing to the creative consistency that accomplished a doubling of sales from FW23 to SS24.
- Contributed to fabric and trim development with the Head of Fabrics & Trims, including in-house material testing and sourcing at international fairs like *Première Vision* and *Milano Unica*.
- Supported fittings and silhouette adjustments, ensuring precision in construction and finishings.
- Participated in seasonal line planning, styling prep, and creation of linesheets and collection boards.
- Acted as a key liaison between studio, international suppliers, external ateliers and press.

ACNE STUDIOS - WRTW Outerwear & Leather Assistant Designer
Paris, France | 2020-2021

- Developed design proposals based on archival and vintage research for outerwear and leather categories.
- Executed draping, silhouette exploration, and construction mockups.
- Participated in fittings and styling revisions directly with the Design Director, contributing to final material and construction choice.
- Created Photoshop simulations and colorizations for internal reviews.
- Maintained coordination between the Paris studio, Stockholm PD team, and external suppliers.

Hili Ari (Independent RTW & Tailoring Label) - RTW Designer
Tel Aviv, Israel | 2019 - 2020

- Collaborated with the brand founder on menswear, womenswear, and custom-made tailoring pieces.
- Supported concept, fabric sourcing, pattern making & prototyping.
- Supervised local production; coordinated with suppliers, clients & ateliers.
- Prepared technical drawings and tech-packs for manufacturers.

Sketch by Yossy Katzav (RTW Label) - Assistant Designer
Tel Aviv, Israel | 2018

- Developed design proposals based on trends, market and iconographic research across multiple categories.
- Assisted communication with suppliers for product development.
- Contributed to styling and accessories concepts for the AW18 campaign.
- Assisted with the coordination of collection launch events for press and media.
